

Wikipedia in the Classroom: A Study of the Wikimedia in Education Program at CHRIST (Deemed to be University)

Annexure III - Questionnaire for Community Members

- How do you know about the education program at Christ University?
- In what capacity have you engaged with the WEP? (Follow updates on the program, been a resource person etc.)
- What have been specific challenges and opportunities in your engagement with the WEP?
- Please reflect on your personal experience of being part of the program.
- What are your learnings? How would you develop on the learnings from the first phase?
- Where do you see the program contributing to your Indian language community, and the larger Wikimedia and open knowledge movement?
- How would you reimagine the next phase of this program?
