6. Free transportation in government and private buses for students with disabilities.	Daman & Diu is a very small Union Territory with limited passenger transport services. There is no State Transport Undertaking in this Union Territory. The Gujarat State Road Transport Corporation (GSRTC) is extending its services to the various inter-state routes of this Territory and private Mini Bus/Omni Bus operators are operating their services on short distance routes within the Territory. Therefore, such benefits, if any, are provided by the GSRTC at their norms.
