

NATIONAL TRUST SCHEMES

1. GHARAUNDA : (Group Home And Rehabilitation Activities Under National Trust Act for Disabled Adults) A Life Long Shelter & Care Scheme

Objective

The National Trust was setup in the context of parents' worries that what will happen to their children with special needs when they are no more. In order to provide a sustainable solution to this rather difficult problem, GHARAUNDA -a scheme of Lifelong Shelter & Care is conceived with the following objectives:

- * To provide an assured minimum quality of care services throughout the life of the persons with Autism, Cerebral Palsy, Mental Retardation & Multiple Disabilities
- * To encourage assisted living with independence and dignity
- * To facilitate establishment of requisite infrastructure for the assured care system throughout the country
- * To provide the care services at an affordable price on a sustainable basis

Eligibility

- * Any adult person with Autism, Cerebral Palsy, Mental Retardation and Multiple Disabilities will be eligible to avail the benefits of the Scheme.
- * The scheme will be available to eligible persons only on payment of requisite amount as determined under the Scheme from time to time.

2. ASPIRATION : (Day Care Centre) Scheme

The aim of the scheme is to work with children 0-6 years with developmental disabilities, to make them ready for mainstream and special schools. This is an early intervention programme. The objectives of this scheme are:

Activities under the scheme

- * Awareness generation amongst parents of persons with disabilities, its family members & related Govt. Officials / Teachers.
- * Assessment & evaluation of children with disabilities.
- * Motivation & counselling to parents & families.
- * Training for daily living activities.
- * Pre school skills - (pre-reading, pre-maths etc.)

4. NIRAMAYA : A Health Insurance Scheme For the welfare of persons with Autism, Cerebral Palsy, Mental Retardation and Multiple Disabilities

OBJECTIVE

In order to enable and empower persons with disability to live as independently and as fully as possible, health services and their access to persons with disabilities assume a very significant role. In this context, the health insurance facility becomes important but presently such products are not easily available for persons with disabilities. In such a situation, a health insurance scheme "Niramaya" is conceived with the following objectives

- To provide affordable Health Insurance to persons with Autism, Cerebral Palsy, Mental Retardation & Multiple Disabilities
- To encourage health services seeking behaviour among persons with disability
- To improve the general health condition & quality of life of persons with disability

COVERAGE

The scheme envisages to deliver 'Community based' cover which will

- Have a single premium across age band
- Provide same coverage irrespective of the type of disability
- Insurance cover upto 1.0 lakh Rs. and
- All persons with disabilities will be eligible and included and there will be no 'selection'

The scheme further envisages that there shall be

- No exclusion of Pre-existing condition
- Same cover as that for other persons
- Services ranging from regular Medical Chekup to Hospitalization, Therapy to Corrective Surgery, Transportation
- Conditions requiring repetitive medical intervention as an in-patient
- Pre & Post hospitalization expenses, subject to limits
- No pre-insurance medical tests
- Cashless settlements only
- Smart / Biometric cards with not only health data but also provision for other (Micro) financial data

5. SAMARTH :

Introduction

Samarth is a "Centre Based Scheme (CBS)" for Residential Services, both Short Term (Respite Care) and Long Term (Prolonged Stay), effective from the financial year 2005-06.

Objectives

1. To provide permanent care for abandoned and destitute persons with disabilities.
2. To provide support and protection to persons whose family support is gradually diminishing.
3. To provide services to persons with disability whose family members are willing to pay for good quality services.
4. To provide services to young persons with disability who need to stay in group homes and independent living situations.
5. To provide services to senior citizens with disability.
6. To create opportunities for family members to get respite time in order to fulfill other responsibilities.
7. To support Registered Organizations and Local Level Committees in the development of a range of service delivery systems which respond more closely to the needs of disabled persons in their own communities including the needs of those without family support.
8. To provide rehabilitation & relief to persons with disability whose families are unable or unwilling to support them any longer.

Eligible organizations

1. Organizations/associations must be registered with the National Trust in addition to being registered under the Societies Registration Act. (or similar ones)
2. Be a legally constituted body.
3. Not be running for profit to any individual or body of individuals.
4. Be functioning as close to the community sought to be served as is possible.

Types of Services

This Scheme provides for Residential facilities. In addition, activities must include early intervention, special education or integrated school, open school, pre-vocational and vocational training, employment oriented training, recreation, sports etc.

6. UDDYAM PRABHA : An Incentive Scheme to Promote Economic Activities for Self-Employment of Persons with Autism, Cerebral Palsy, Mental Retardation and Multiple Disabilities
