

The Centre for Internet and Society

invites you to

Human Rights in the age of Technology

A conference to discuss the evolution of privacy and surveillance in India

on **Friday, October 30, 2015**

at Duke Suite Hall, 5th Floor, **India Habitat Centre**,

Lodhi Road, Near Air Force Bal Bharti School, New Delhi - 110003

from **11 am - 5 pm**

The conference will be conducted in a roundtable format. Topics to be discussed shall include, among others, the Human DNA Profiling Bill, 2012, the PIL questioning the data collection under the UID scheme, the draft National Encryption Policy and the Supreme Court judgement in Shreya Singhal v. Union of India, in the context of privacy and surveillance in India. The conference will be a forum for discussion, knowledge exchange and agenda building.
