MEETING NOTICE

Subject: – Multistakeholders consultation on International Public Policy Issues

1. The UN has constituted a Working Group on Enhanced Cooperation(WGEC). The Working Group on Enhanced Cooperation in its second meeting held in Geneva set up a Correspondence Group to identify international public policy issues and mechanism, if any, which exist to address these issues. The Correspondence Group has identified the international public policy issues and mechanism related thereto(Annexed). The attached document had 200+policy issues grouped into 24 broad areas(listed in cloum B) and it is against these broad areas that your input is sought. The input that is being sought in these various broad areas is to :
 - a. Use the identified broad areas of international public policy issues pertaining to the Internet in the attached spreadsheet that has been developed in the second meeting of the WGEC(and since updated). Additional issues may be added to the identified public policy issues, if agreed by WGEC.
 - b. List where there are existing international mechanism addressing the issues in the list.
 - c. Identify the status of mechanisms, if any, whether they are addressing the issues.

Please provide the evidence or examples of where some or all stakeholders in their broadest sense(Government, Industry, Academia, Business and Civil Society) have engaged in working together on that issue.

2. Please send your input by 19.1.2014 in this regard at the email address dipak.singh@deity.gov.in
3. The aforesaid matter is also proposed to be discussed in a multistakeholder meeting scheduled as per detail given below.
